

Short Prose Dream 20201222190757078549

Texts Used: [Charlotte's Web](#) by E.B. White, [The Wizard Of Oz](#) by Frank Baum, and [Dune](#) by Frank Herbert

These texts were remixed using a “Dream Filter”, or a Python-coded text processor, by [Thomas Park](#). The purpose is, rather than rendering a narrative, emulating a dream.

She was within a few steps of it, and Oz was holding out his hands to help her into the basket, when, crack! Then you got up all your nerve, took a deep breath, and jumped. Without stopping an instant the fierce beasts also began to cross the tree. Of course this politeness was wasted on the Scarecrow; for when he found himself alone in his room he stood stupidly in one spot, just within the doorway, to wait till morning. "You will feel pain in this hand within the box." Of course this politeness was wasted on the Scarecrow; for when he found himself alone in his room he stood stupidly in one spot, just within the doorway, to wait till morning. He moved within the shadows beside the globe.

He moved within the shadows beside the globe. "Very well: 'That which submits rules.' " He felt astonishment: she was talking about such elementary things as tension within meaning.

Of course this politeness was wasted on the Scarecrow; for when he found himself alone in his room he stood stupidly in one spot, just within the doorway, to wait till morning. What do you command?" "Go to the strangers who are within my land and destroy them all except the Lion," said the Wicked Witch.

She was within a few steps of it, and Oz was holding out his hands to help her into the basket, when, crack! Then you got up all your nerve, took a deep breath, and jumped. "I came here only to hang the key of Caladan Castle in the dining hall." She caught her breath, stopped the impulse to reach out to him. Without stopping an instant the fierce beasts also began to cross the tree. This is like single combat, Son, only on a larger scale-a feint within a feint seemingly without end. Paul closed his eyes, feeling the terrible purpose reawaken within him. "If matters go as planned," he said, "House Harkonnen will have a subfief on Arrakis within a Standard year.

"I came here only to hang the key of Caladan Castle in the dining hall." She caught her breath, stopped the impulse to reach out to him. Over and over and over within Paul's floating awareness the lesson rolled. Without a ruler who knows the art of ruling. The air within their shield bubbles grew stale from the demands on it that the slow interchange along barrier edges could not replenish.

I command you to obey him as you would me." The balloon was by this time tugging hard at the rope that held it to the ground, for the air within it was hot, and this made it so much lighter in

weight than the air without that it pulled hard to rise into the sky. She was within a few steps of it, and Oz was holding out his hands to help her into the basket, when, crack! "I came here only to hang the key of Caladan Castle in the dining hall." She caught her breath, stopped the impulse to reach out to him. "If matters go as planned," he said, "House Harkonnen will have a subfief on Arrakis within a Standard year.

The Baron stared across the room at his Mentat assassin, seeing the feature about him that most people noticed first: the eyes, the shaded slits of blue within blue, the eyes without any white in them at all. "I command you to obey him as you would me." The balloon was by this time tugging hard at the rope that held it to the ground, for the air within it was hot, and this made it so much lighter in weight than the air without that it pulled hard to rise into the sky. She was within a few steps of it, and Oz was holding out his hands to help her into the basket, when, crack! This is like single combat, Son, only on a larger scale-a feint within a feint within a feint seemingly without end. Paul closed his eyes, feeling the terrible purpose reawaken within him. "What do you command?" "Go to the strangers who are within my land and destroy them all except the Lion," said the Wicked Witch. "I command you to obey him as you would me." The balloon was by this time tugging hard at the rope that held it to the ground, for the air within it was hot, and this made it so much lighter in weight than the air without that it pulled hard to rise into the sky.

He moved within the shadows beside the globe.

"Ah, well.." He took a deep breath, belched. This is like single combat, Son, only on a larger scale-a feint within a feint within a feint seemingly without end. Paul closed his eyes, feeling the terrible purpose reawaken within him. "Ah, well.." He took a deep breath, belched. "Observe the plans within plans within plans." Feyd-Rautha nodded, thinking: This is more like it. "Ah, well.." He took a deep breath, belched. "Observe the plans within plans within plans." Feyd-Rautha nodded, thinking: This is more like it. "I came here only to hang the key of Caladan Castle in the dining hall." She caught her breath, stopped the impulse to reach out to him. Then you got up all your nerve, took a deep breath, and jumped. Those CHOAM directorships-they were the real evidence of political power in the Imperium, passing with the shifts of voting strength within the Landsraad as it balanced itself against the Emperor and his supporters. "I command you to obey him as you would me." The balloon was by this time tugging hard at the rope that held it to the ground, for the air within it was hot, and this made it so much lighter in weight than the air without that it pulled hard to rise into the sky. The air within their shield bubbles grew stale from the demands on it that the slow interchange along barrier edges could not replenish. Without a ruler who knows the art of ruling. Over and over and over within Paul's floating awareness the lesson rolled. "You will feel pain in this hand within the box. Those CHOAM directorships-they were the real evidence of political power in the Imperium, passing with the shifts of voting strength within the Landsraad as it balanced itself against the Emperor and his supporters. "If matters go as planned," he said, "House Harkonnen will have a subfief on Arrakis within a Standard year. The air within their shield bubbles grew stale from the demands on it that the slow interchange along barrier edges could not replenish. How soon he must read that form within his mind, that contract of brutal caution, to enter the necessary fact on the necessary line: "Please list your next of kin. I command you to obey him as you would me." The balloon was by this time tugging hard at the rope that held it to the ground, for the air within it was hot, and this made it so much lighter in weight than the air without that it pulled hard to rise into the sky. She was within a few steps of it, and Oz was holding out his hands to help her into the basket, when, crack! Without a ruler who knows the art of ruling.

How soon he must read that form within his mind, that contract of brutal caution, to enter the necessary fact on the necessary line: "Please list your next of kin. The balloon was by this time tugging hard at the rope that held it to the ground, for the air within it was hot, and this made it so much lighter in weight than the air without that it pulled hard to rise into the sky. Without stopping an instant the fierce beasts also began to cross the tree. Over and over and over within Paul's floating awareness the lesson rolled. Over and over and over within Paul's floating awareness the lesson rolled. "You will feel pain in this hand within the box.

Without a ruler who knows the art of ruling. "Very well: 'That which submits rules.' " He felt astonishment: she was talking about such elementary things as tension within meaning. He moved within the shadows beside the globe. Without stopping an instant the fierce beasts also began to cross the tree. The Baron stared across the room at his Mentat assassin, seeing the feature about him that most people noticed first: the eyes, the shaded slits of blue within blue, the eyes without any white in them at all. "I came here only to hang the key of Caladan Castle in the dining hall." She caught her breath, stopped the impulse to reach out to him. "Ah, well.." He took a deep breath, belched. Without a ruler who knows the art of ruling. "You will feel pain in this hand within the box. He moved within the shadows beside the globe. The air within their shield bubbles grew stale from the demands on it that the slow interchange along barrier edges could not replenish. How soon he must read that form within his mind, that contract of brutal caution, to enter the necessary fact on the necessary line: "Please list your next of kin. What do you command?" "Go to the strangers who are within my land and destroy them all except the Lion," said the Wicked Witch. Of course this politeness was wasted on the Scarecrow; for when he found himself alone in his room he stood stupidly in one spot, just within the doorway, to wait till morning. "You will feel pain in this hand within the box. Without turning

his head, he tried to move his eyes to see that terrible needle poised beside his neck. "I came here only to hang the key of Caladan Castle in the dining hall." She caught her breath, stopped the impulse to reach out to him. The air within their shield bubbles grew stale from the demands on it that the slow interchange along barrier edges could not replenish.

"Very well: 'That which submits rules.' " He felt astonishment: she was talking about such elementary things as tension within meaning. Without a ruler who knows the art of ruling. How soon he must read that form within his mind, that contract of brutal caution, to enter the necessary fact on the necessary line: "Please list your next of kin. This is like single combat, Son, only on a larger scale-a feint within a feint seemingly without end.

The air within their shield bubbles grew stale from the demands on it that the slow interchange along barrier edges could not replenish. How soon he must read that form within his mind, that contract of brutal caution, to enter the necessary fact on the necessary line: "Please list your next of kin. "Ah, well.." He took a deep breath, belched. "Observe the plans within plans within plans." Feyd-Rautha nodded, thinking: This is more like it. "Very well: 'That which submits rules.' " He felt astonishment: she was talking about such elementary things as tension within meaning. Paul closed his eyes, feeling the terrible purpose reawaken within him. "I came here only to hang the key of Caladan Castle in the dining hall." She caught her breath, stopped the impulse to reach out to him. "Observe the plans within plans within plans." Feyd-Rautha nodded, thinking: This is more like it. How soon he must read that form within his mind, that contract of brutal caution, to enter the necessary fact on the necessary line: "Please list your next of kin. Without turning his head, he tried to move his eyes to see that terrible needle poised beside his neck. Without turning his head, he tried to move his eyes to see that terrible needle poised beside his neck. This is like single combat, Son, only on

a larger scale-a feint within a feint within a feint seemingly without end. Paul closed his eyes, feeling the terrible purpose reawaken within him. Without a ruler who knows the art of ruling. "If matters go as planned," he said, "House Harkonnen will have a subfief on Arrakis within a Standard year. Paul closed his eyes, feeling the terrible purpose reawaken within him.

Without a ruler who knows the art of ruling. This is like single combat, Son, only on a larger scale-a feint within a feint within a feint seemingly without end. Paul closed his eyes, feeling the terrible purpose reawaken within him. Those CHOAM directorships-they were the real evidence of political power in the Imperium, passing with the shifts of voting strength within the Landsraad as it balanced itself against the Emperor and his supporters. The air within their shield bubbles grew stale from the demands on it that the slow interchange along barrier edges could not replenish.

I command you to obey him as you would me." The balloon was by this time tugging hard at the rope that held it to the ground, for the air within it was hot, and this made it so much lighter in weight than the air without that it pulled hard to rise into the sky. Those CHOAM directorships-they were the real evidence of political power in the Imperium, passing with the shifts of voting strength within the Landsraad as it balanced itself against the Emperor and his supporters. "If matters go as planned," he said, "House Harkonnen will have a subfief on Arrakis within a Standard year. "Observe the plans within plans within plans." Feyd-Rautha nodded, thinking: This is more like it. Over and over and over within Paul's floating awareness the lesson rolled. "I came here only to hang the key of Caladan Castle in the dining hall." She caught her breath, stopped the impulse to reach out to him. Then you got up all your nerve, took a deep breath, and jumped.

Without turning his head, he tried to move his eyes to see that terrible needle poised beside his neck.

"If matters go as planned," he said, "House Harkonnen will have a subfief on Arrakis within a Standard year. "You will feel pain in this hand within the box. Without turning his head, he tried to move his eyes to see that terrible needle poised beside his neck. This is like single combat, Son, only on a larger scale-a feint within a feint within a feint seemingly without end. The Baron stared across the room at his Mentat assassin, seeing the feature about him that most people noticed first: the eyes, the shaded slits of blue within blue, the eyes without any white in them at all. I command you to obey him as you would me." The balloon was by this time tugging hard at the rope that held it to the ground, for the air within it was hot, and this made it so much lighter in weight than the air without that it pulled hard to rise into the sky. She was within a few steps of it, and Oz was holding out his hands to help her into the basket, when, crack! I command you to obey him as you would me." Without turning his head, he tried to move his eyes to see that terrible needle poised beside his neck. Of course this politeness was wasted on the Scarecrow; for when he found himself alone in his room he stood stupidly in one spot, just within the doorway, to wait till morning. What do you command?" "Go to the strangers who are within my land and destroy them all except the Lion," said the Wicked Witch. "Ah, well.." He took a deep breath, belched. Without stopping an instant the fierce beasts also began to cross the tree. Of course this politeness was wasted on the Scarecrow; for when he found himself alone in his room he stood stupidly in one spot, just within the doorway, to wait till morning. How soon he must read that form within his mind, that contract of brutal caution, to enter the necessary fact on the necessary line: "Please list your next of kin.
